CeCe Moore

is an independent professional genetic genealogist and media consultant. She has worked since 2013 for the PBS documentary series Finding Your Roots with Henry Louis Gates, Jr., *collaborates regularly with ABC's* 20/20, *and her research has been featured on PBS's* Genealogy Roadshow *for all three seasons. She is the founder of* The DNA Detectives *and the popular blog* Your Genetic Genealogist.

As a leading proponent of genetic genealogy education, CeCe helped create and teach the groundbreaking first genetic genealogy courses at the premier genealogical institutes, including GRIPitt, SLIG, IGHR and FGI.

CeCe is considered an innovator in the use of autosomal DNA for genealogy, frequently consulted by DNA testing companies, genealogists, adoptees and the press. She has close working relationships with all of the major genetic genealogy testing companies, was invited to create and lead the Ancestry Ambassador program for 23andMe, and consults for The New York Genome Project. She also serves on the American Society of Human Genetics' Genetic Ancestry Inference Committee.
