

RESEARCH PRACTICUM

SAT., FEB. 25 • 9:30 A.M. - 4 P.M.

**at the
GENEALOGICAL FORUM OF OREGON**

Bring your laptop and your lunch! This is a supervised practical research experience designed to provide participants an opportunity to develop and use their knowledge and skills learned previously in conferences or classes. Goals are to build and strengthen genealogical research skills by increasing awareness of various research resources, gathering appropriate evidence, and improving analysis and interpretation of collected information. The last hour is reserved for group discussion to review research plans and strategies, records searched, quality of evidence and analysis. It's a great opportunity to share and learn from one another.

Presenters: Keith & Darlene Pyeatt

Skill Level: Intermediate / Advanced

Requirements: Your own computer with wifi capability, and your own lunch

DUE TO SPACE CONSTRAINTS, WORKSHOP IS LIMITED TO 20.

REGISTRATION: One form per attendee, please.
